The Premises:

We met in a hotel I use a lot for my liasions. perfect as its cheap, clean, has large beds and is close to both train stations.

The Lady:

Alexandra is quite tall, about 5 feet 9 inches. She has beautiful long hair and a dazzling smile. Alexandra has travelled a lot, she mentioned Russia, Italy and Germany when we spoke; she has an accent that definitely comes from somewhere in Europe.

The Story:

Alexandra and I hit it off right away. She is both reserved yet very friendly. We had a drink and chat in the room, before retiring to the bedroom. We had a really nice, intimate time together. She does offer a GFE as this was like making love to an old girlfriend. OWO, 69, reverse oral were all on the menu. I managed to come twice - once via oral and in doggy position. Alexandra is very good and I will try to see her again.
