### The Lady:

Blonde hair cut short, medium height, very slim but fit. Laura is about 27/8 years old. Obviously knows the business and what buttons to push!!

### The Story:

Laura and I had 2 hours of sex. 69, owo, cim for the first 45 minutes. Then on with the wrapper and into some serious mish, doggy and her on top. She told me A levels were also on the menu for 20 extra, but I doubted if I could rise to the occasion again. I came 3 times in 2 hrs and 10 minutes! Laura is a serious sex object and horny as hell.
