The Premises:

4th floor apartment, newly done up ? Clean and comfortable. The area is awash with people, but the street she is in seemed quite safe.

The Lady:

Kristina is a blonde, Russian girl. She is utterly charming and with a fluent command of English - which is just as well, as I cannot speak Russian. She is taller than stated, about 5'8" in her bare feet. The pictures on the website are her but she smiles more in real life.

The Story:

Needed to unwind after a fraught time at work and so called the Agency, and was recommended to visit Kristina. I had a lovely half hour of energetic french kissing with tongues and then oral sex. Firstly Kristina took me in her mouth and gave a lovely bbbj until I stopped her and we changed places. I returned the favour and after a short while, she wriggled enthusiastically and became very wet. We swapped places again and she resumed the bbbj until I climaxed in her mouth and she swallowed the lot.

For the last few minutes we cuddled, kissed and stroked each other and then I dressed and left. I will visit her again and would happily recommend her to others.
