Same parlour as my previous report
clean & friendly-but on a main rd (problem if your shy & Ive locally
thankfully thats not me though

The Lady:

Her photos dont do amy any justice, she's fresh faced in her mid twenties and a very trim body (@
size 10)
ex gymnast & knows exactly where to put those legs!

The Story:

she was supposed to come to me but with a last minute hange of plans I went down (litterally) to
hers. this is the second time i've seen amy & boy is she worth it. everthing is on the menu. we
started kissing n cuddling & having a bit of a laugh. it wasnt long before my head was firmly buried
in her lap & her tounge was rolling around my tackle. she is very accomodatng with larger sizes &
appriciates loudly mutually exchanged pleasures.

A TRULY EXCEPTIONAL GIRL
