The Lady:

Blonde, young, slim, very attractive. The sort of girl your mates would all be jealous of and who you would love to take home if only you were thirty years younger!!!! Not that she would let you!

The Story:

Oh my God, only my second punt ever, thought the first was nice, this, with no nerves, or at least fewer, was sensational. Will have to keep myself very busy or I will be broke in no time spending all my time at Babes 2. What I can't get over is how relaxed and friendly everything is. I expected a nice welcome but I thought once money had been exchanged the atmosphere would change. Not a bit of it, even after the punt I was made to feel welcome sitting with the girls and receptionist laughing at the telly. Will I visit again you, I'll have to nail the door shut to stop me!!!
