### The Story:

Cathy is fucking wonderful! I have met her three times so far and it just keeps getting better. The first time I opted for a quick but very nice blow job with CIM.

The second visit began with me kissing her feet until she produced a small bottle of oil that she applied to her pretty peds and my cock. I rubbed the oil in, then fucked her feet sliding my cock between her slippery toes until my cum pumped out all over her silky feet. I massaged the cum in and the sperm/oil mix made her feet glisten with a lovely pearlescent sheen that I wanted to lick off but I ran out of time and needed to get back to work.

On my third visit I brought along some honey. I dripped the honey onto her mouth and face then licked it off, kissing her deeply. I moved down to her feet and honeyed them up before licking them clean. Cathy then got on all fours, sticking her sweet arse in the air. I dribbled the honey down her crack and watched it run over her button arse hole before licking it clean. After enjoying her sweetened hole for a few minutes we kissed before she sucked every last drop of spunk from my cock.

Cathy is no super model but she is super sexy! She's a pretty girl that?s super friendly with a wicked and horny laugh. Previous negative comments from others about hygiene go unfounded. The flat is a little cluttered but Cathy is clean and sweet (including her closely trimmed fanny).

I hope to see Cathy many more times and would like to watch her sucking or getting fucked by someone else. If anyone is interested in watching or being watched please get in touch and we can ask her about it.
