The Lady:

Bethany is accurately portrayed in her photos on the Babes website and her vital stats seem about right too.

The Story:

Bethany was described by Sue on the phone as like a "sexy girl from next door" and this is about right. She is pretty in a real rather than china doll way. We started with the usual massage and a nice chat. Owo was offered but I decided that it would be exciting enough covered. Beth asked how I liked oral and she certainly acted on my answer. I agree with her previous FR - this girl gives an excellent bj. She lay down for a cuddle and caress which was nice and I gradually moved on top. I was turned on by the sight of us together in the mirrors beside the bed and didn't last very long before coming.

My visit to Beth was more towards the GFE end of the spectrum but I can imagine that she would also do a more raunchy experience if encouraged to do so. She has not quite made it to my Babes all-time favourites list based up this first encounter but she's a sexy girl and I certainly plan to see again.
