The Story:

Hayley must have cottoned on to the fact that I'm not a particularly experienced punter. After booking early for her tour on the Saturday, I found out on the Wednesday that she had decided to scrap that day and squeezed me in as the last slot on the Friday evening.

I paid for an hour, while being given the chance to have only half hour (should have took it!!) and then got asked if I wanted the "cum twice" service. Stupidly I agreed to this. While she was polite, charming and went about her thing in an extremely horny manner it seemed that an "unhurried service" was not on the agenda. I understand that she had had a busy three days and was keen to get out for the night with her pals.

After half an hour in which I did cum twice, it was clear that was my lot and off I was packed.

While I left with a smile on my face, deep down I couldn't help feeling a little had.

With those huge boobs and very sexy manner its easy for a guy to go weak in her presence and succumb to her will. She really is a gorgeous girl but I should have been more assertive and not let her dictate the pace so easily. Live and learn eh ?
