Nice place, but on the top floor. Feels very safe.

The Lady:

WOW!! She always opens the door in something really sexy. First time you see her you will not believe you are about to have sex with SUCH a beautiful woman (only bad point is her english, but she understands more than enough punning phrases, just not enough for a long conversation afterwards).

The Story:

She always asks me to take a shower first, which I would do anyway. When I come out she is waiting on the bed, looking me in the eye, absolutly stunning.

Offers full GFE, lots of passionate kissing and forplay before we start, this is an extremley important thing for me, and she does not dissapoint.

We always go for oral first (OWO & CIM), and man, is she good with her tongue!! Once thats over she gives a nice massage and we go onto full sex. Then usually a 69 to finish off with.

While I only ever book her for an hour, it's NEVER rushed, I usually stay for an extra 10-15 mins or so, but I get the feeling that she wouldn't mind if it was a little longer.

This is the perfect punt, and the most friendly girl. I didn't put up a field report before because I didn't want too many other people knowing about her, but she deserves it, so here you go Pam.

Worth every penny you'll spend on her. I haven't tried her since she moved agency, but I cannot wait to see her again!!
