The Premises:

Two bedroom flat with big living area to relax in. Very clean and well furnished. Good shower facilities to freshen up.

The Lady:

Lady Marmalade, Laura and Robyn. Wont try and guess at sizes but they were all busty, slim, attractive and very horny ladies. A joy to spend time with.

The Story:

With a couple of no shows five guests to three ladies made for an outstanding ratio. All the ladies looked good in their PVC outfits, and looked even better once they were out of them. Once the fun started made a beeline for Robyn, I just had to get my hands on those great tits. Wasn't disappointed they were magnificent! After some great oral finally came all over them, what a sight. The next two hours continued in a similar vein, had a great session licking out Laura before fucking her to a great climax for both of us. Managed to fit in some time with Lady Marmalade near to the end, pounding her pussy doggy style while she sucked of another lucky guest. The ladies were always willing, never taking prolonged breaks which I've witnessed before at other parties. Food and drink was supplied throughout, and finished the party with a drink and a chat before leaving for home. Best value around. Will be back.
