The Premises:

VH: good and tidy place; with 3 shower area, a sauna and a hot tub. I spent about an hour in the TV lounge to wait for my lady.

Locker is available, where all your belongings can be kept with you.

The Lady:

36D-26-38. Stunning figure, in my personal comment, it is an Adele Stephens look-a-like but slightly chubby under her waist.

The Story:

I went there at 16:00 and what the hell? It was so busy there, there were nobody available at that moment and after seeing the photos of the ladies, I've chosen Rachael as she was the best looking one at that time. BUT I need to wait 1 and a half hour for her as she has got couple of appointments to go. So I spent time in the TV lounge to watch Sky News. There were 4 rooms upstairs and an VIP room (which I booked for, worth for paying extra).

At about 5:30, finally I saw my Rachael, she's very friendly and chatty. She offered a long massage with oil to me, followed by a wonderful BJ/HJ which really aroused me. Then sex in two position and finished with a doggie-style.

In general, she's a pretty masseuse with skillful touches, but according to my past experience, she's only worth 5/10 in average.

Physical outlook: 7/10

Massage skills: 5/10

Sex skills: 4/10

Attitude: 6/10

However, VH is a good place to go. But I'll visit Mel next time
