### The Premises:

my place

### The Lady:

Attractive Czech girl, large soft boobs D or E cup, little English, some German.

### The Story:

She was over an hour late, on the other hand, how many of us would be able to find our way round the suburbs of Prague? So I was prepared to make allowances, and I was not on a tight schedule either. She made the time up as well. From the pictures on the site I was expecting someone with a bit of meat on her, but she turned out to be trim and tasty. Probably been on a diet. She is likely to be a student over here for a couple of months to make some money, and she said she was returning home in September. Conversation was limited since she speaks little English, and I no Czech. Got some response with the help of my limited German. She smokes like a chimney.

Sex: enthusiastic (me) like a fish on a slab (her) If you are the type of chap who likes a pair of big tits in your hands you will do alright here, Doesn't mind you having a good feel of her boobs either (I expect she is used to it) However, if you are looking for a full on porno experience or even just a GFE, you would be disappointed, blow job was knob nibbling only, wouldn't let me cum on her boobs. Inexperienced, reluctant or worn out? I don't know.

In summary, I would be prepared to venture many men experience the same treatment from their wives or partners, but pay more for it, with less attractive women. Want a small taster of married life only without as much nagging? Book Maria.
