The Story:

After a few rubbish punts, I was about to give up on Crewe when I read some favourable reports about Amber on punternet. She seemed to have a lot of FR's and all were positive, so I strapped on my punting pants and set off.

Amber is a very friendly girl who looked most fetching in her tight white nurses uniform. She had an excellent attentive bedside manner and the prognosis was looking good. She has a lovely soft sexy voice and her GFE was top notch. She loves being touched and was genuinely pleased to know that other FRs had been so favourable. It was refreshing to meet someone who was modest and flattered over her good feedback and wasn't complacent enough to drop the level of her service.

I would recommend Amber to anyone - you'll get a first class, no rush attentive service. I look forward to seeing after after my next payday!
