The Lady:

short, fat, messy blonde hair and massive sagging tits

The Story:

Maybe its the standard of cleanliness people are used to. i've read so many FR's on this girl ranging from awful to amazing. i'll sit in the awful camp. she stinks. the flat stinks and is a mess. i don't mean to infer you guys as dirty - the ones who say the place is ok and clean - BUT its not clean!

The OWO was ok. CIM etc. for ?20 you can't complain about that side. She has a cock licking technique that takes you to the edge before she gives the full shaft the treatment. I came on the bed - like every one else probably has and cleaned up and left.

I've searched east anglia for the best OWO/CIM and this isnt it. Shes ok in the oral dep't but the whole experience is poor. Ipswich is still the place to go if Oral is your thing - i'll report later on my search for the best....
