The Story:

Victoria is just amazing! There are things that I love to do which I'm not going to mention here, but she did them and did them really really well. She took her time, and I enjoyed an hour of chatting, great sex and plenty of games! She's really open minded, and caters for most things you can think of.

Victoria is a very intelligent and imaginative girl - whatever I write here doesn't even come close. You can see by the amount of reports how great she is.
