The Story:

Was on my way to Heathrow and wanted to liven up my day so arranged to pop in and see Sacha. Was held up by traffic as usual and was feeling pissed off but once in the flat and calmed down things improved. The glass of wine certainly helped. Once cleansed and preped it was into the bedroom and a nice massage was exactly what I needed. Once relaxed even more it was time for more of her pleasures. Switched quickly to missionary to finish the job off. What a delightful lady and a first class service. And then the airport beckoned...
