Fairly discreet back entrance (up a covered set of stairs). Place could do with a lick of paint but not too bad.

The Lady:

stunning. Asian or possibly iranian, very petite size 8 figure, sultry is the word!

The Story:

a fantastic time, Seerena looks amazing and was very sexy. a great massage followed by even better times. what was most amazing was that for a further charge, you got the "V.I.P. treatment which in her words was a "bit of everything". very much more the GFE and not what i expected from this parlour but extremeley nice. This lady is something special.
