The Premises:

The place was clean, although a bit run down. Not a bad area, so felt safe - about 5 min walk from Olympia tube

The Lady:

Lena looks like you see her on the website. She come from Russia and her english is good. She is not skin and bones, and is carrying just enough weight to make her far more the GFE

The Story:

Despite not being the thin model look, Lena was a great reminder of the teenage days - great snogger. Started off with BBBJ, then 69 which she appeared to enjoy. Then on with the condom, and no KY which is a novelty after previous punts, which must have meant that she enjoyed the 69. She is a good lay in true girlfriend way.
