The Premises:

Fantastic flat and even better location (Mayfair). At that time in the evening no problem about parking or stupid congestion charge. A beautiful place.

The Lady:

Very nice young girl. Tanned, long black hair, doesn't look Russian at all. Red negligee, tanned body high heels.. to die for.

The Story:

I have to say that when I met her together with Inna I underestimate her. Very participative during sex she just sucked the hell out of me with a mind-blowing oral. Helena just kept sucking me harder and harder ?till I blew my last drop. 8/10
