The Premises:

The flat Kylie works from is fine. It is located near Paddington and Lancaster gate.

The Lady:

She is a beautiful Asian girl from Malaysia, i'd say better looking in real life than the photographs on the site.

The Story:

I arrived at Kyli's and she came down to let me in, then told me I was a handsome man, which was a nice compliment although whether a young girl like her would find an old like me handsome is questionable but still a good boost to the old ego. We had a nice little chat about London, life and all things, and then she got undressed into a sexy little number and pulled me towards the bed.

She then undressed me, and sucked me off nicely. After this i asked if i could try anal with her and she was happy to oblige and this felt fantastic although after around 10 minutes or so of this she asked me to pull out and lay down.

She then switched the condom and i was in for a very nice ride, her pussy was nice and wet and rather tight. As much as i tried to make it last longer eventually i could no longer hold on and felt my load shooting out.

I haven't seen too many escorts yet but Kylie is definitely the best i have had the pleasure of meeting and is great company to boot. She kept the whole session relaxed, comfortable and most importantly fun and I hope she stays in London for a while longer.
