The Premises:

Verging on the somewhat worn in general, but the rooms themselves are in very good shape.

The Lady:

The pictures of Jade on the website are not unrepresentative, but she proved heavier in person than I had expected. Her face is pretty though, and that wicked grin sets it off.

The Story:

Massage, reverse massage, great oral without, reverse oral which Jade manifestly enjoyed immensely, followed by several different styles of mish and doggy. Jade's very enthusiastic and inventive. Finished off with CIM, all included in the single price. Wow.

Jade is extraordinarily friendly, raunchy, and fully committed to pleasing her customer - and she does! The quality of service is great. Unfortunately my taste runs to slimmer women, hence my recommendations below.
