The Premises:

On the outskirts of Brum city centre. The building serves a purpose but really could do with a once-over of Dulux. The area has never been the best but is generally ok during the day (the vandalised Fiesta parked outside the entrance would probably deter a few people though).

The Lady:

23, about 5' 2, shoulder-length blonde hair. I'm not good at sizes but I'd guess a size 10 and around a 34c. Very pretty face. All in all a beautifully proportioned little package.

The Story:

Amber told me she's been working at Blue Ice for three months, so I'm a little surprised she doesn't have any previous FR's. I had a choice of three ladies but as soon as I saw Amber it was a no-brainer.

Amber is lovely. Not supermodel class, but the kind of pretty, fashionable girl you would see in any bar or club with her girlfriends on a Friday night. The kind you would love to ask out without ever actually having the nerve to. Her warm chatty nature was the icing on the cake.

The 30 minutes passed in a flash. It started with a nice massage. After a few minutes Amber asked me to turn over and continued the massage by straddling me. The best bit came when she massaged my cock against her tummy (wonderful !!). We progressed to kissing, OWO (with lots of eye contact), reverse O and sex in cowgirl, doggy and mish, before Amber asked if I would like to explode all over her lovely tits.

The only possible downside was the speed with which Amber left at the end. A quick goodbye and she was gone. But then it is only a business arrangement after all so I guess I'm really splitting hairs.

Finances won't allow me to make a return visit any time soon, otherwise I would be back to see Amber in a flash.
