The Story:

Some while since I have visited this establishment but business in town enabled me to organise this one, which I was looking forward to following my two previous visits on other days.

Was welcomed warmly and offered some refreshment whilst waiting for Amy.

Amy entered the room and looked fabulous - blonde with curves in all the right places and, as described, a busty body. I could tell that I would not be disappointed.

I again opted for mild domination. Amy showed that she is very talented in this activity and knew just how far to go without making me concerned at any of the events taking place.

It turned out to be another very satisfying visit which certainly livened up my day - no need to go into any details here. It met all my expectations and some, due entirely to Amy's talents and also her delightful personality plus, of course, her stunning looks.

Amy turned out to be another of the young ladies here that I would thoroughly recommend and who I have also added to my list for a repeat visit.
