The Premises:

Absolute dump, nothing like the pics in the site even though that wasnt great.

The Lady:

Looked great , a little thinner than the pics. Goth like , but great tits and pierced nip.

The Story:

Dont bother. Promised so much OWO , A ect.. all for the one hour price of 60. All you get is a lay down and a w*nk with her moaning pathetically.

When all done she left the room then came back in expecting me to be ready ... all done in 15.. cant believe i payed more than a fiver for it.

After that little trip its the last visit i'll make to any more ladies. waste of money.
