The Premises:

Clean room, no worries about the place or the surrounding area.

The Lady:

She describes herself on her website as 23, curvy size 12, which I would say is spot on. The pictures on her site show her in glasses, which I'd imagine is for her own privacy. Trust me, she has nothing to hide, she's fit, and with a gorgeous smile and a really fit arse!!!

She was dressed in a black pvc mini dress and thigh boots.

The Story:

The session started with Jasmine in charge, which she did really well. Nothing too heavy, but I think I'll keep the exact details between me and her ;o)

Please, treat her with the respect she deserves and I bet you'll have as good a time as I did!

Needless to say, I'll be back as soon as I can!!!!
