### The Story:

I had booked the VIP room for the hour. She came in wearing the standard victoria house uniform. We discussed what i wanted to do.

Then she started with a pole dance which was very good and did the trick. Then we moved to the bed where she gave me covered oral which was good then moved on the sex started with her on top then Missionary and final doggy. The sex was made better by her moaning and dirty talk.

Then we went into the juazzic wher she washed me down and got me going again.

Went back to the bed again started with covered oral the reversed oral which she liked then missionary and doggy.

She told me that next time i should try a two girl with her and rachel.
