### The Premises:

Debbie's massage is a well known and respected establishment with many punter reports, a loyal clientele and a friendly and relaxed environment both for the experienced and new punter.

### The Lady:

Kelly is a darling. Fantastic tits especially when soaped up and a pert petite body.

### The Story:

Started of with the assisted shower. Always great at Debbie's and worth the money if just for this. Straight into a lengthy relaxed massage and then flipped over to start with a blow-job and then onto RO,cow-girl, doggy and mish. I took my time and thought I'd blown my time at one point but we got into a slow side-by-side face-locked fuck staring into each others eyes which was perfect GFE and I eventually blew my load deep inside her with us both panting and sweating. A first class fuck. I'll be back...
