The Story:

A lovely pairing of a pair of lovelies each with a lovely pair.

Titania has been a regular at Club Fantasy this year. I was surprised to see that I have not filed an FR on a party that I have been to with her in attendance and so it's time to remedy that now. I first met Isabella at Gangbang UK (FR 51596) where I had a great time with her. I have also seen her one-to-one and have been very pleased to spend time with at several Club Fantasy parties too.

These girls make a physical contrast but both are very sexy indeed. I enjoyed them both during a very pleasant evening. I started with Titania whose oral talents soon had me standing to attention. She invited me to shag her in doggy and who was I to refuse. After much pleasure in that position we finished in mish with a large smile on my face.

After a break in the living room with a cold beer, I went off to see whether Isabella was available. I did not have to wait long for one of the other guys to finish and then she invited me to lie down. A lovely session of alternating oral and hand work followed. I was lucky enough to enjoy a super interlude of 69 and then Isabella mounted me in cowboy and vigorously rode me towards a rousing finish.. Just as I was ready to burst she stopped, took off the condom and expertly finished me off with a super-sexy hand job.

Various other delights filled the remainder of the party until another enjoyable evening reached its final whistle.
