The Premises:

Basement flat off the Edgware Rd. Bit grotty on the outside but fine inside.

The Lady:

Tall skinny dark haired, Lithuanian rather than Latvian. Looked very hot in short pink figure hugging dress and heels. Long dark hair.

The Story:

Arrived, had a shower and entered the bedroom to watch her peel out of her tight pink dress. French kissing and general groping ensued to reveal her body, especially tits, a little less firm than I'm used to with orientals, but nice soft skin, and a great arse. Big pussy lips. Very very good blow job without. I stood next to the bed and marvelled as she went for it slapping her arse until she told me to stop. When I'd had enough I pulled her away by the hair, span her around and, still standing plunged my cock into her from behind. She was putting as much energy into it as me if not more. Various positions followed and I then emptied the contents of my nuts into her mouth. Knackered, I lay on my front and let her massage me until I was ready for another go. Ten out of ten for effort and great head but not really my type. Too into the Orientals.
