Her 'in-calls' take place at a functional city centre hotel - pretty run down to be honest.

Stunning body. Enormous natural breasts on a slim frame - dyed blonde hair, pretty face.

The Story:

Extremely disappointing punt. First time with this agency and I won't be using them again. Vanessa is a gorgeous girl but her attitude stinks. Was greeted at the door to her hotel room and she ushered me in wearing a lacey red evening dress. She had not bothered with make up and her hair looked as if she had just got up. Had a shower - then on to the bed for kissing, quick OWO and then she told me to fuck her in a very business like manner. Doggy style only! No reverse oral or 69 - and this lady will not let you fuck her any other way than from behind - which is a great shame considering those amazing breasts. After 10 minutes it was on to more OWO and then she finished me off over her tits. Half an hour spent altogether and it was quite clear that nothing else was on offer (even though I'd paid for an hour). Vanessa has gone back to 'Germany' now (although she is clearly Eastern European rather than German) but said she was thinking of coming back soon. If she does, avoid her.
