### The Premises:

Pleasant discreet cottage in small village, very safe and no trouble parking

### The Lady:

Jasmine is a weel proportioned lady who is fairly short in stature but big on personality. As I had seen her before I knew I would get a warm welcome

### The Story:

Had a great time as usual with Jasmine. The massage she gives is divine and she also uses her finger nails to tease beyond endurance. Without going into great detail suffice it to say that the hour passed all too quickly.
