The Premises:

A second floor flat in a quiet and discreet area of town, not too far from the centre with easy parking. The flat is comfortable, well appointed and clean.

The Lady:

Demi is about 5ft 5in tall, very attractive and slim with an all over tan. She has the most gorgeous sexy figure. Demi is extremely friendly, talkative and instantly puts you at ease, more like visiting an old friend really and making you feel instantly at home.

The Story:

I started off with a massage using oil. Demi is very good at this and it is very relaxing. After using the hands, she took off her top to reveal a perfect pair of breasts with delightfully hard nipples which she then used to massage me. On turning over, she slipped off her undies and the massage continued, her expert hands soon having me hard enough for action. It was then time and after a quick application of a condom, she eased herself down on me. She has a very tight shaven pussy, a delight to see, which only further enhances the pleasure. After a while in this position, we changed round and I went down on her. After a while, she expertly brought me to climax. Afterwards, she helped me clean up and offered a shower. It is still all very relaxed with no urgency to get you out. In all, a five star performance. Demi is all you could want, friendly, unhurried, relaxing and with the most perfect body I think I have seen. Perfect.
