The Premises:

very untidy flat near to norwich city football ground. i must say that this was the most untidy flat that i've ever visited, did make me wonder if i wanted to go through with the visit.

The Lady:

large blonde in her early 30's, saggy tits and a fanny which was rather smelly. when i arrived she was wearing just a towel and nothing else

The Story:

started off by playing with my cock and balls whilst i played with her tits. after reading previous field reports i had gone for an uncovered blow job and to be honest this she does really well. i was told that i could cum wherever i wanted to and after about 10 mins of really top class cock sucking i spunked in her mouth.

i'm in 2 minds as to recommend cathy or not as she is really good at cock sucking but her appearance leaves a lot to be desired and the flat is a real tip. as a result i wouldn't be happy to recommend her to others, but i probably will visit her again for her oral skills
