The Premises:

Nice flat where I think work more than one girl at a time

The Lady:

Both young, sasha a little bit heavier than I expected.

Sherine stunk and she needs definetively to shave her arms.

Really a turn down.

The Story:

Ok guys I call the agency and I ask to confirm the CIM as stated in the girls profiles.

Guess the answer.

I also aks if deep french kissing was on the menu and after I book a duo for 1 hour.

I basically spent 1 hour watching them faking a pathetic lesbo show and everytime I tried to kiss I only got a very light fk.

sherine badly needed a bath so I tried to focus on sasha.

I asked for a owo and when I came she jumped away from my c....and I basically split my spunk on my own stomach.

In one word: rippoff!!

When I walked away the had an evil smile so i guessed I was not the first one to get tricked.
