The Story:

I have seen Amy on a number of occassions now, and every time she just gets better and better. She greeted me at the door to her room dressed in a micro mini and the tightest, skimpiest blouse you have ever seen, her tits were just straining to burst out.

She offered me a drink, and as she poured i jumped into the shower to freshen up, knowing how much she likes the taste of fresh, clean cock.

By the time I had showered, I made my way to the bedroom to find Amy lying on the centre of the bed sipping wine in just her bra and the smallest panties I have ever seen.

I layed beside her, and before i knew it her hand was under my towel and her tongue down my throat.

It wasnt long before my cock was down her throat, and boy does she love head..... the best a man can get!! She maintains plenty of eye contact whilst sucking and it wasnt long before I was unloading 2 weeks of pent up tension into her cheeks.

I returned the favour and after about 15 minutes pussy playing and teasing she shuddered to a climax (and I know she did!!!).

All things are available with this beauty, and she is one hot girl.

Amy, in the famous words of arnie " i will be back!"
