### The Premises:

What can one say about Sandy's that hasn't already been said?

### The Lady:

Drop dead gorgeous. Slim, toned, lovely soft skin & her website doesn't lie about that wonderful bum. Also must admit that she has the most marvellous, sunny, disposition that gives you a warm all over glow, immediately you meet her. Feels like you are meeting someone you have know forever, comfortable, warm & a great laugh.

### The Story:

No graphic details, but you know when you've been Leah'd.

Everything she does has real heart put into it & you do feel that, even if it is only for a brief while, you are the only man in the world whom she would like to spend time with.

As she is amenable to the idea, I will definitely be seeing this wonderful lady again & would heartily recommend her to anyone.

Definitely one of my top 3 at Sandy's; together with Priya & Cassie.

Oh, & a big thanks to Julie & Donna on reception, who made me feel very welcome during the wait for Leah to become available; due to my having just dropped in on spec, at the busiest time of the day.

Thanks again for a wonderful time.

Love,

Glen XXX
