The Premises:

House of Divine is in a safe and quiet part of MK. Inside is always clean and tidy. It's a very good place to go to.

The Lady:

Very attractive young blond. Lovely face, nice tits and body. Shaved. Very friendly and chatty.

The Story:

It was my third visit to Divine and my first with Tia. She's a lovely looking girl and she's very professional. She started with some enthusiastic OW which I had to cut short before she got me too close, then I did some oral, which was nice, then onto mish for a bit. She's an enthusiastic partner and moved around alot. Then we did doggie for a while, then back to mish for the finish. I thoroughly recommend her for a good sex experience and she tries hard to please. My only slight reservation was that it sometimes felt like she was trying, but hey, it can't be easy to treat every guy like he's Mr Wonderful.
