The Story:

Kirsty is an experienced escort, and it's clear when you meet her that she knows what she's about. This was the first time I had seen her, and as we settled down for an introductory drink and a chat, I found her really easy to get on with, and any nerves I had disappeared in double quick time.

Kirsty is an intelligent lass, and funny and charming too, and it would have been too easy to prolong the conversation. However, I never felt the need to glance ostentatiously at the watch to accelerate proceedings and before long we were in the bedroom.

All that needs to be said is that Kirsty is soft, warm and sensual. I was dimly aware that she was constantly monitoring proceedings to ensure I was getting the maximum enjoyment from the encounter, and I certainly had a great time exploring the parabolas, ellipses and fjords that presented themselves.

I'd love to see Kirsty again - perhaps next time I'll visit her incall place for a real pampering. She's a gorgeous, down to earth lady alright, but what sets her apart is her exemplary, professional attitude to the job, and her determination to deliver a top class service.
