The Lady:

Jenny is an American lady mid 20s approx 5ft 7 in tall. She was looking very tired and her clothes very crushed. She also had a few ladders in her stockings.

The Story:

Jenny arrived on time. She was pleasant enough to talk to however she just seemed to lack interest. She told me that she did not allow kissing or oral reverse !! The agency made no mention of this either ! After 30 mins the ladys phone rang which she answered...it was the agency with her next job.... ! a double ! Then the other girl rang her to get the address of the next job....all on my time outrageous !! After 4 phone calls taken whilst trying to indulge in some private pleasures I gave up !! This must be the worst Punt ever ! I asked her to call her driver and collect her after only 50mins of a two hr booking. She did apologise and said she would get the agency to phone me as they should not have rung her on my time....To date I have had no response, what a surprise !

Since writing this report I have been contacted by Bubbles Escort Agency. Jenny is no longer employed by them. They have acknowledged that this Lady presented them with a few problems. They have apologised and offered to compensate me should I wish to use their services again. You cant say fairer than that, I was impressed they took the time and trouble to contact me.
