The Lady:

as per pictures on website extremely beautiful young lady. perfect body no complaints here.

The Story:

this is probably one of the most beautiful girls in london. she is from russia, speaks decent english. very athletic body. she was dressed in the black dress from the pictures. as i entered the room we sorted out the finances and she went straight for owo. half way through she took the dress off to reveal that oh so beautiful body without any type of underwear on. continued with the owo and we then switched to 69 standing up. she is very light. did that for a while and then back to standard owo. after 10 mins cim. we chatted for about 10 mins where she was tellin me about her life as a ski instructor and her many trips around the world. then for round 2 with her on top. she is quite tight coz of her slim frame. kisses beautifully with tongue (a little too much at beginning). she has very sensitive nipples that are tickleish so be gentle. she rode me for the rest of our time together. wanted to stay an extra hour but she had another appointment. would love to see her again.
10 out of 10.
