The Lady:

Angelina is a young and very busty student from North-West England. She is a nice looking girl. Not a super star model but more than acceptable with nice green eyes. Where Angelina really scores is in the body department - 1000% pure female oooh!

The Story:

I've been trying to "stay dry" for a while now but my resolve finally broke after a tough day at work a few weeks back. I suddenly found my hand on the mobile dialing 00-44! I trust Pat at the agency to sort me out with a good punt and Angelina was more than up to the usual standard. A first class couple of hours and just what the doctor ordered. Angelina has a bit of an accent but she is an intelligent girl and great to talk to. She is also more than skilled in the sex department. Her BBBJ was something to treasure! I don't really know how Pat does it? Maybe he sends these girls to some kind of school? Whatever, the bedroom manners of these girls are more than appreciated by an old bugger like me!!! Thanks Angelina fun times!
