The Premises:

Nice spacious modern apartment just a few minutes walk from Victoria Station.

Finding the flat was a bit of a mare once inside the block of flats, but Max gave clear instructions and offered to meet at a nearby pub.

The bedrooms tended to get a bit hot so either some aircon or fans would be nice.

The Lady:

Alyssa - Gorgeous, slim and busty NZ girl with a filthy mouth.

Cindy - Stunning, tanned blonde reminded me of a younger, fitter, bustier Zoe Lucker (Tanya from Footballer's Wives).

Charlotte - Another stunning petite girl, now with lighter hair, which seems to suit her perfectly.

Tammy - Breathtaking, tall slim blonde girl. A true stunner.

All the girls looked amazing and the website photos didn't (couldn't) do them justice. Charlotte has recently done a new photoshoot with her new look so the website pics should be more upto date soon.

The Story:

Being something of a party veteran, I chanced upon an message on the announcements board for Max's Heavenly Angels party. After having a quick look on the website and the girls pics and reviews, I knew that this party would be something different. I wasn't disappointed.

I spoke to Max and booked in, and he explained the procedures and provided the address and directions on the morning of the party. As it neared 1pm I went to the block of flats and bumped into two more party goers trying to get into the flats. Half way through the circuitous route we bumped into Max who took us the rest of the way.

On entering the flat I was introduced to Cindy, Alyssa and Charlotte, with Tammy joining a few minutes later. As we waited for the other punters to arrive we had a drink and got chatting to the

girls. All of them are great fun, and can hold an intelligent conversation.

After the rest of the guests arrived the party started. My own experience (not in chronological order) was a superb BBBJ from Alyssa (who is great at talking dirty) followed by mish and doggy. Same formula with Charlotte who has an amazing peach of an ass. I didn't get to spend too much time with Cindy but she gave me a great handjob whilst I played with her amazing tits whilst another guy went down on her.

Saving the best for last, I had an amazing party with Tammy everytime I was in her company. She has a great fun personality with an amazing body, drop dead gorgeous looks, and her BBBJ isn't too shabby either ;) Seriously it's the best I've had.

All in all it was a great event and I will definately be returning to other parties and will be seeing the girls one on one.

Tammy have a safe trip and a fabulous holiday - see you when you get back.
