The Premises:

Smart flat in a new development. Two bedrooms, clean with fresh robes and towels available. Large living area good for relaxing with light bites at hand and drinks readily available.

The Lady:

Although Lady Marmalade was present she wasn't partying. Three ladies working were Alice, Lisa and Serene. All lovely and eager to ensure every one had fun.

The Story:

Met by Moss who deals with all the arrangements before hand. Taken to the apartment where valuables were soon locked away and everyone showered and robed. No hanging around and the sex soon started. Began with Alice who has an incredible oral technique, aided no doubt by her tongue piercing. Was enjoying so much I just lay back and let her get on with it until I came. As she went to clean up Lisa was passing and offered me a massage which I readily agreed to. She has a most sensual touch and thoroughly enjoyed her hands up and down my body. Felt I ought to return the compliment and as she lay back I licked her pussy which tasted divine. As she seemed to enjoy it I continued till she came, tasting her beautiful juices. By that time we both wanted a break so time for a beer. Not for long though, before too long Alice and Lisa tempted me and another guest off. After a bit of oral from Alice was determined by this time to come inside her so fucked her to completion this time. Great way to spend an afternoon after work. Nice girls and will definitely be back.
