The Story:

Charges 60 for half hour, 100 for hour, kissing is 10 extra. I opted for half hour with kissing. She offers A at an extra 60! This is my third visit to see Mel. She is a lovely girl and gets really involved. Started with some kissing and cuddling, after a short but excellent OWO, I went down on her. She was soon moaning and thrusting herself down onto my face. Ready for some action, it was on with a rubber with sex in a few positions, Then took condom off and finished by hand cumming over her belly. An excellent punt and will be back again soon.
