The Lady:

Anna is a natural blonde. The description on her website is accurate as far as I could tell. As it says, she is very slim with tiny breasts but great nipples. Under her long coat, she had long black trousers and a silky red top.

The Story:

After she arrived we had a drink and chatted. Anna is fairly quiet but we soon relaxed and began to kiss and cuddle. She felt like a girlfriend I had once had. I was quickly relaxed. I began to explore under her clothes. No underwear except for hold up stockings! Having undressed we went to bed. More kissing and cuddling preceded a wide range of pleasures. I won't go into detail but this was slow gentle 'girlfriend sex' and very enjoyable. We did everything you would expect from the description of services on her website. The site is a very honest reflection of reality. There were no unpleasant surprises.

Anna is a friendly and genuine girl who puts you at ease and is good company. I really enjoyed what was a truly loving evening together. She said she really enjoyed being with me and asked me to keep in touch which was nice. I emailed her to thank her for the evening and she immediately sent me a nice reply. I look forward to seeing Anna again as soon as the opportunity arises. If you see Anna, make sure you treat her well. She deserves it.
