The Premises:

Secluded upmarket flat, excellent parking.

The Lady:

Mid-thirties, shortish blonde hair, slim about size 10 top half, wide hips so slightly bigger below the waist but no excess weight. Lightly tanned. Wonderfully natural body.

The Story:

The single word that describes Pia is 'natural'. No falsies, tattoos or piercings, no excessive make-up, no attitude or pretence. Just a natural, warm, genuine, attractive Danish woman who is the nearest I've had to a true GFE. Pia has lovely eyes that tell you her natural expression is smiling and a sexy, curvy figure.

I won't repeat what other reviewers have said about her tremendous oral skills except to say they are true. She also enjoys receiving oral and is quite orgasmic in response to gentle but prolonged treatment. I found Pia very good in all positions, especially doggy. She has broad hips without being overweight, which I find very attractive. One consequence of the prolonged earlier session of oral was that my eventual climax was one of the most powerful I've had.

Pia deserves the accolade of 'top class escort' because in addition to being an excellent sexual partner she offers what discerning punters look for but rarely find: the capacity to talk intelligently about a wide range of subjects; lively sense of humour; genuine interest in the client without prying; modesty and lack of anything you could call tarty or brash.
