The Premises:

I have been here a few times and it is always clean and safe (ish :))

The Lady:

This was the first time i had seen ava and was surprised by her looks. As always with this establishment the photos are not done at a studio so it is difficult to tell whay you are going to get BUT I have never been dissapointed and this time I was presented with a very sexy lady

The Story:

OK so for those of you that are not into the bondage seen this may appear a bit strange for those of you that are you have to see this girl.

I had called during the day to make a booking and requested WS but when I turned up I had not given enough notice. Fair enough these things cannot be called upon on demand. We discussed my likes and dislikes and what she was going to wear. She left the room to get ready

I adopted the position (incorrectly) and mistress antered wearing long black PVC boots and a tight PVC dress. Wha followed was great tight rope bondage,CBT, spanking, and a padle, followed by mistress using the smaller of the two strap-ons

well worth the money and I will return
