The Premises:

Really smart terraced flat near the museums , very upmarket decor to go with a very upmarket girl .
The mirrored wardrobes make for an incredibly erotic undressing scenario !

The Lady:

I frequented this lovely lady a couple of years back but she went back to Poland much to my heartache !It was so lovely to recognise her pictures on the Barracuda site and discover her again !To me she is a blonde bombshell , a lot more beautifully curvy than her pictures suggest with lovely long legs and a bum to die for .She is very intelligent (law student) and her English is excellent .A real touch of class ! Some Punternet veterans may well remember her .

The Story:

We had quite a lot to catch up on so I was more than happy to chat for ages but it was a horny build up to rediscovering one of my all time favourite girls who has come back to escorting more confident and experienced than ever . When you have mutual fondness with a girl the sex just flows and Monica gave me one of the most vigorous mish fucks I can ever remember and I came buckets clasping her gorgeous soft silky arse ! Lovely classy babe , she pines for kind intelligent blokes , so I hope you are up to it ! Hope she stays for as long as possible , a really lovely womanly Gfe and lots of vfm .
