### The Premises:

Just off the Kingswood high street down a small lane, the reception door was open, walk into a room where two ladies are waiting for you

### The Lady:

There was Sara and Angle, Angle was a 27 year old with brown curly hair around 5,8 tall great boobs and tidy pussy

### The Story:

I was taken into the bed room low light radio playing and a long mirror started with short rub down before she started to rub my cock till I got hard, she then put a condom on and started to give me head, not bad she was very slow but deep, moved into doggy where she stroked my balls till I shot my load,
