The Story:

Opted for spanking, tie and tease with a sensual bias. The whole half-hour was one big turn-on. Highlights were bending over, legs spread, watching myself being spanked in mirror through my legs, being tied face forward to the cross for spanking and anal play, and my final climax by handjob whilst being fucked by two fingers. The Cock and Ball Torture and Reverse Oral were pretty good too. It's amazing what you can do in 30 minutes. I think I'll be back for the strap-on.
